

# GAIT Membership Application

The Georgia Association for Instructional Technology, Inc. is open to all interested in bettering education through the use and integration of media and technology to support teaching and learning. The membership is diversified and includes public school educators, corporate trainers, career and technical instructors, college media directors, university professors, librarians, media specialists, commercial vendors and many, many more. All unite in activities designed to expand and diversify information and communications technology and improve instruction through the systematic development, utilization and management of learning resources including people, processes and technology.
